Hi All,

I had sent a revised version to my TL earlier this morning, which she forwarded on to Mike and Ed. It addressed some of Mike's comments. Haven't heard back from either Ed or Mike yet.

That version is attached, along with the Q&As for strep citrus. Trying to work on the ones for aldicarb now.

Dian,

The document has been revised to address Mike's comments. Heather and Sandip may have something else to add to this document.
